La “Maison” Calligaris / La “Casa” Calligaris / The Calligaris “Home”

La “Casa” Calligaris / Дом Calligaris / Calligarisの「家」

In 90 anni, in Calligaris abbiamo assistito a molti cambiamenti, anzi, abbiamo promosso noi stessi il cambiamento. Lo abbiamo fatto ideando e creando mobili e complementi d'arredo pronti a entrare nelle case della gente, e trovare il loro posto per dare luogo ad ambienti unici, che parlano di chi li abita. Se l'innovazione e l'evoluzione costante caratterizzano da sempre il nostro modo di lavorare, è perché abbiamo ben chiaro quali sono i valori a cui guardare. Possiamo sperimentare, cambiare e innovare perché sappiamo chi siamo e che cosa rappresenta il nostro marchio per chi lo sceglie: una garanzia di qualità e creatività, un mix tra design contemporaneo e flessibilità. Questi sono i concetti chiave che fanno parte del nostro DNA di impresa internazionale ma dalle solidi radici Italiane, questo è l'italian smart design di Calligaris. Che cos'è “smart” per noi? Smart è armonia tra tecnica ed estetica, tra ragione ed emozione. Smart è il saper vivere espressione di una nuova sensibilità, che preferisce scegliere ciò che è giusto per noi e per il nostro sentire senza l'intento di uniformarci o di distinguerci per forza. Lo smart design di Calligaris è un'offerta ampia e articolata di mobili funzionali, dallo stile non gridato ma sempre contemporaneo, che lascia spazio alla sensibilità di ciascuno, assecondando i gusti, mescolandosi con altre forme, colori e materiali in un gioco di possibilità senza fine.

90 years have brought about many changes at Calligaris. To be more precise, we have inaugurated these changes ourselves by thinking up and then creating furniture and accessories which enter people's homes, giving rise to unique atmospheres that bespeak the persons who inhabit them. If constant innovation and evolution have always characterised the way we work, it is because we have a clear idea of the values we strive for. We can experiment, change and innovate because we know who we are and what our brand represents to our clients: a guarantee of quality and creativity, a mix between contemporary design and flexibility. These are the key concepts that make up our DNA as an international company with strong Italian roots: this is the Italian smart design by Calligaris. What does “smart” mean to us? Smart is harmony between technique and aesthetics, rationality and emotions. Smart means knowing how to live, it expresses a new sensibility, which involves preferring what is right for us and for the feel of our brand without seeking to conform or necessarily to stand out. Calligaris' “Smart design” offers a large and varied choice of functional furniture, with a sober yet perpetually contemporary style, that leaves room for the sensibility and taste of each customer, by mixing well with other shapes, colours and materials, in an endless interplay of possibilities.

In 90 Jahren hat Calligaris viele Veränderungen nicht nur miterlebt, sondern selbst den Anstoß zu vielen Veränderungen gegeben. Mit dem Entwurf und der Fertigung von Möbeln und Einrichtungsgegenständen, die für die Wohnräume bestimmt sind, um dort ihren Platz zu finden und eine individuelle Umgebung zu schaffen, die für die Menschen, die dort leben spricht, haben wir unsere Zeichen gesetzt. Wir haben eine ganz klare Vorstellung von den Werten, die für uns wichtig sind und deshalb stehen Innovation und eine ständige Weiterentwicklung im Mittelpunkt unserer Arbeit. Wir sind in der Lage zu experimentieren und Änderungen und Innovationen einzuführen, weil wir wissen, wer wir sind und wofür unsere Marke bei unseren Kunden steht: eine Garantie für Qualität und Kreativität und eine Mischung aus modernem Design und Flexibilität. Das sind die Schlüsselbegriffe, die unsere Philosophie als internationales Unternehmen prägen, welches seine Wurzeln in Italien hat. Das ist Italian Smart Design von Calligaris. Was bedeutet “smart” für uns? Smart ist die Harmonie von Technik und Ästhetik, von Vernunft und Gefühl. Smart bedeutet, den Ausdruck einer neuen Sensibilität zu leben und zu erleben und das zu wählen, was richtig für uns und unsere Empfindungen ist, ohne zu versuchen, sich gleich zu stellen oder sich unbedingt als Individualist darstellen zu wollen. Das Smart Design von Calligaris ist ein umfassendes und weit gefächertes Angebot praktischer Möbeln mit modernem Stil, ohne der letzte Schrei zu sein, die der Sensibilität der Menschen Raum geben, dem Geschmack der Zeit entsprechen und die sich mit anderen Formen, Farben und Materialien spielerisch zu unbegrenzten Möglichkeiten vermischen.

En 90 ans, Calligaris a assisté à de nombreux changements, on pourrait dire que la société a elle-même encouragé ces changements. Elle l'a fait en concevant et en créant des meubles et des compléments d'ameublement prêts à entrer dans la maison des gens et à trouver leur place en créant des ambiances uniques qui reflètent leurs habitants. Si l'innovation et l'évolution constante caractérisent depuis toujours notre façon de travailler, c'est parce que Calligaris sait exactement quelles sont ses valeurs. Nous pouvons expérimenter, changer et innover, car nous connaissons notre identité et ce que notre marque représente pour les personnes qui la choisissent : une garantie de qualité et de créativité, un mélange entre design contemporain et flexibilité. Ces concepts-clés sont l'essence de notre entreprise internationale, mais avec ses racines ancrées en Italie : c'est ce que l'on appelle l'italian smart design de Calligaris. Que signifie « smart » pour nous ? Smart veut dire harmonie entre technique et esthétique, entre raison et émotion. Smart : c'est le savoir vivre l'expression d'une nouvelle sensibilité, où l'on préfère choisir ce qui est bon pour nous et pour notre bien-être sans devoir s'adapter ou se distinguer. Le smart design de Calligaris offre une large gamme de meubles fonctionnels, au style simple et contemporain, qui laisse de l'espace à la sensibilité de chacun, favorisant les goûts, se mélangeant avec d'autres formes, couleurs et matériaux dans un jeu de combinaisons sans fin.

A lo largo de noventa años en Calligaris hemos sido testigos de numerosos cambios o, más bien, nosotros mismos hemos impulsado dichos cambios. Para ello hemos ideado y creado muebles y accesorios de decoración que entran en los hogares y hallan su sitio para dar lugar a ambientes únicos que hablan de sus moradores. Si la innovación y la evolución constantes caracterizan desde siempre nuestra manera de trabajar es porque hemos identificado perfectamente cuáles son los valores importantes. Podemos experimentar, cambiar e innovar porque sabemos quiénes somos y qué representa nuestra marca para las personas que la eligen: una garantía de calidad y creatividad, una mezcla entre diseño contemporáneo y flexibilidad. Estos son los conceptos primordiales que forman parte de nuestro ADN en calidad de empresa internacional pero, eso sí, con raíces italianas sólidas, esto es el “italian smart design” de Calligaris. ¿Qué significa “smart” para nosotros? Smart es armonía entre técnica y estética, entre razón y sentimiento. Smart es el saber vivir, la expresión de una nueva sensibilidad, que se decanta por lo que es justo para nosotros y para nuestro modo de sentir sin intentar uniformarnos o destacar a la fuerza. El “smart design” de Calligaris es una oferta amplia y articulada de muebles funcionales, con un estilo no divulgado pero siempre contemporáneo, que deja espacio a la sensibilidad personal y sigue los gustos de cada uno al mezclarse con formas, colores y materiales distintos en un juego de posibilidades infinitas.

В 1990-х в Calligaris мы были причастны к многочисленным изменениям. Мы содействовали этим трансформациям, проектируя и изготавливая мебель, предметы интерьера. Нашу продукцию используют при декорировании жилых помещений. Найдя свое собственное место, наша мебель может много рассказать о людях, которые её используют. Непрерывные инновации и развитие – это те характерные черты, которые всегда отличали нашу работу, потому что мы с самого начала уяснили для себя те ценности, которых мы должны придерживаться. Мы можем экспериментировать, изменять и обновлять, потому что хорошо знаем, кто мы есть, и что представляет наш бренд для тех, кто его выбирает – гарантию качества и креативность, микс современного дизайна и надежности. Всё это – ключевые концепции, которые входят в состав ДНК нашей международной компании, берущие начало из крепких итальянских корней, – это итальянский интеллектуальный дизайн компании Calligaris. Что же термин “интеллектуальный” значит для нас? Интеллектуальный – это гармония технического и эстетического совершенства, разума и эмоций. Интеллектуальный – это возможность выражения нового вкуса, благодаря которому мы и выбираем то, что правильно, чтобы разительно отличаться от других, сохраняя единство линий. Интеллектуальный дизайн Calligaris – это обширное и гармоничное предложение функциональной мебели, включая компромиссный современный стиль, который никого не оставит равнодушным, смешивающий различные форма, цвета и материалы самым причудливым образом.

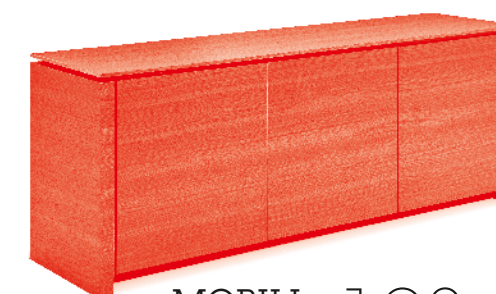

創業から90年間、さまざまな変化に立ち会ってきたCalligarisは、自らも変化を生み出してきました。この変化とは、人々の住む家に受け入れやすい家具やインテリアを設計・製作し、それらに対してたったひとつしかない場所や環境を見つけることで、そこに暮らす人の生活を物語ることです。常に革新と変化を求める姿勢が当社のビジネスの特徴であるとすれば、それは注目すべき価値についてのクリアなビジョンを持っているためです。さまざまな試み、変化、革新を行うことができるのは、自らの存在を理解し、当社のブランドを選ぶお客様に対してそれが何を意味するのかを知っているからです。つまり高いクオリティ、創造性、そして現代的なデザインと柔軟性との融合です。これらがイタリアに深いルーツを持ちながらも、国際的な企業として活動している当社のDNAの一部をなしているキーコンセプトであり、Calligarisが提唱するイタリアのスマートなデザインなのです。何が当社にとって「スマート」なのでしょうか。スマートとは、技術と外観の美しさ、理性と感情を調和させることです。スマートとは、新たな感性で表現できること、つまり周囲の好みに合わせたり、無理に目立たそうとせず、自らの感情に最も適した選択を求めていくことです。Calligarisのスマートなデザインは、豊富な選択肢、機能的な家具、シンプルでありながらも現代的なスタイルが特徴であり、お客様が好み応じた感性を表現できるよう、さまざまなフォルム、カラー、素材と無限に組み合わせることができるのです。
